

The ACS/IEEE 23rd International Conference on Computer Systems and Applications

26-29 October 2026 University of Sharjah, Sharjah, United Arab Emirates

“ The ACS/IEEE International Conference on Computer Systems and Applications (AICCSA) is the premier conference covering all contemporary areas in computer systems and applications. It serves as an international forum for academics, industry researchers, developers, and practitioners to report and share groundbreaking contributions across IT fields, including distributed computing, data science, security, and machine learning.

AICCSA 2026 will be held in Sharjah, UAE, a dazzling crossroads of innovation where a futuristic skyline meets sunlit Arabian Gulf shores, vibrant souks, and golden desert dunes.

AICCSA 2026 is pleased to invite you to submit original contributions to the conference, including technical and experimental studies, theoretical studies, conceptual studies, or surveys. All submissions will be peer-reviewed based on relevance, originality, importance, and clarity. The submissions should be assigned to one of the following tracks:

Research Tracks

- Track 1:** Distributed Systems & Cloud-Edge Continuum
- Track 2:** Cybersecurity, Privacy & Trustworthy Systems
- Track 3:** Data Engineering, Management & Knowledge Infrastructure
- Track 4:** Machine Learning, Reasoning & Autonomous Systems
- Track 5:** Language, Speech & Conversational Intelligence
- Track 6:** Vision, Multimedia & Multimodal Computing

Submission Guidelines

Manuscripts must be prepared in **10-pt font** using the **IEEE 8.5" x 11" two-column** conference format. All papers should be exported in PDF format and anonymised, as IEEE AICCSA uses a double-blind review process. The papers must be submitted electronically on EasyChair:

<https://easychair.org/conferences/?conf=aiccsa2026>

Proceedings

Accepted papers will be submitted for inclusion into **IEEE Xplore** subject to meeting IEEE Xplore's scope and quality requirements.

Best Paper and Distinguished Papers Awards

The **Best Paper Award** will be given to the paper that the Program Committee judges to be the best in quality, execution, and impact among all accepted papers at the conference. For this purpose, a selection of candidate papers will be made and awarded the **Distinguished Papers** diploma.
